INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of

Threefold Educational Foundation and School

Report on the Combined Financial Statements

We have audited the accompanying combined financial statements of Threefold Educational Foundation and School (a Not-for-Profit organization), which are comprised of the combined statement of financial position as of June 30, 2018 and the related combined statements of activities and cash flows for the year then ended, and the related notes to the combined financial statements.

Management's Responsibility for the Combined Financial Statements

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these combined financial statements based on our audit. We did not audit the financial statements of Green Meadow Waldorf School, a local affiliate, which statements reflect total assets of \$7,919,759 as of June 30, 2018, and total support and revenue of \$5,915,556 for the year then ended. Those statements were audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for Green Meadow Waldorf School, is based solely on the report of the other auditors. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the combined financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the combined financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the Entities' preparation and fair presentation of the combined financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entities' internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the combined financial statements.

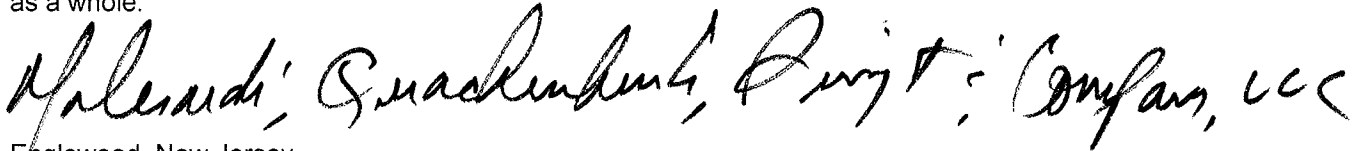

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, based on our audit and the report of other auditors, the combined financial statements referred to above present fairly, in all material respects, the financial position of Threefold Educational Foundation and School as of June 30, 2018, and the changes in their net assets and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the combined financial statements as a whole. The combined schedule of functional expenses is presented for purposes of additional analysis and is not a required part of the combined financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the combined financial statements. The information has been subjected to the auditing procedures applied in the audit of the combined financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the combined financial statements or to the combined financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the combined financial statements as a whole.

THREEFOLD EDUCATIONAL FOUNDATION AND SCHOOL

NOTES TO COMBINED FINANCIAL STATEMENTS

June 30, 2018

NOTE 1 - ORGANIZATION:

Threefold Educational Foundation and School (the "Organization") is the umbrella Organization for Green Meadow Waldorf School ("GMWS"), Eurythmy Spring Valley ("ESV"), Pond, Fiber Craft Studio, Otto Specht School, Holder House, Pfeiffer Center and Threefold Café.

The Organization provides support services for the above named institutions and other educational and cultural activities based on anthroposophy and the work of Rudolf Steiner. The Organization allocates the costs of some rents and administrative support to these institutions. The forgiveness of these costs is included in revenue shown as net of remissions. GMWS provides academic programs with a reliance on the Rudolf Steiner philosophy to children from preschool through twelfth grade. ESV provides professional training in Eurythmy, a performance art which has applications in medical and occupational therapies and in education.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Combined Financial Statements

The combined financial statements include the accounts of Threefold Educational Foundation and School and the organizations under the umbrella stated in Note 1, collectively the "Organization." All significant intercompany accounts and transactions have been eliminated.

Basis of Accounting

The combined financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

Basis of Presentation

All financial transactions have been recorded and reported as unrestricted, temporarily restricted, or permanently restricted net assets:

Unrestricted net assets consist of investments and otherwise unrestricted amounts that are available for use in carrying out the objectives of the Organization, and include those expendable resources which have been designated for special use by the Organization or the Board of Trustees.

Temporarily restricted net assets represent those amounts which are donor restricted for specific purposes. When a donor restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported on the combined statement of activities as net assets released from restriction.

Permanently restricted net assets result from contributions from donors who place restrictions on the use of the funds which mandate that the original principal be invested in perpetuity. This original principal is reported as a permanently restricted net asset, the income from which may be either temporarily restricted or unrestricted, depending on the donor's specifications.

THREEFOLD EDUCATIONAL FOUNDATION AND SCHOOL
NOTES TO COMBINED FINANCIAL STATEMENTS (CONTINUED)
June 30, 2018

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):

The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets.

The Organization records donor restricted contributions whose restrictions are met in the same reporting period as unrestricted support.

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor.

Cash and Equivalents

For purposes of the combined statement of cash flows, the Organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Investments

Investments, comprised of equity and debt securities, are reported at their fair market values in the combined statement of financial position. Realized and unrealized gains and losses are included in the combined statement of activities.

Fair Value Measurements

The Organization follows Financial Accounting Standards Board guidance on Fair Value Measurements which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable inputs and are used to the extent that observable inputs do not exist.

Accounts Receivable

Accounts receivable are stated at unpaid balances, less an allowance for doubtful accounts. The Organization provides for losses on accounts receivable using the allowance method. The allowance is based on historical experience and management's evaluation of outstanding accounts receivable at the combined statement of financial position date.

Pledges Receivable

Unconditional promises to give are recognized as revenues in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. The pledges are receivable in one year.

THREEFOLD EDUCATIONAL FOUNDATION AND SCHOOL
 NOTES TO COMBINED FINANCIAL STATEMENTS (CONTINUED)
 June 30, 2018

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):

Property and Equipment

Property and equipment are stated at cost or fair value at the date of donation. Depreciation is provided using the straight-line method over the estimated useful lives of the respective assets. Major additions and improvements are capitalized, and routine expenditures for repairs and maintenance are charged to expense as incurred.

Income Taxes

The Organization is a Not-for-Profit organization under Section 501(c)(3) of the Internal Revenue Code and is exempt from income tax.

Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. On an ongoing basis, management evaluates the estimates and assumptions based on new information. Management believes that the estimates and assumptions are reasonable in the circumstances; however, actual results could differ from those estimates.

Reclassification

The financial statements of GMWS have been audited by other auditors and a separate financial statement is available under separate cover. Certain accounts have been reclassified for comparative purposes to conform to the presentation in the combined financial statements.

Open Tax Years

The Organization's Forms 990, *Return of Organization Exempt from Income Tax*, for the years ending June 30, 2015, 2016, 2017 and 2018 are subject to examination by the Internal Revenue Service, generally for three years after they were filed.

NOTE 6 - ENDOWMENT FUNDS:

The Organization's endowment consists of approximately seven individual funds established for a variety of purposes. Its endowment includes both donor restricted funds and funds designated by the Board of Trustees to function as endowments. As required by generally accepted accounting principles, net assets associated with endowment funds, including funds designated by the Board of Trustees to function as endowments, are classified and reported based on the existence or absence of donor imposed restrictions.

As of June 30, 2018, the Board of Trustees had designated \$992,502 of unrestricted net assets as general endowment funds to support the Organization's operations. Since that amount resulted from an internal designation and is not donor restricted, it is classified and reported as unrestricted net assets.

The Board of Trustees of the Organization has interpreted the New York State Prudent Management of Institutional Funds Act ("NYPMIFA") as requiring the preservation of the fair value of the original gift as of the gift date of the donor restricted endowment funds absent explicit donor stipulations to the contrary.

As a result of this interpretation, the Organization classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by the NYPMIFA. In accordance with NYPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor restricted endowment funds,

NOTE 6 - ENDOWMENT FUNDS (CONTINUED):

(3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Organization, (7) alternatives to expenditure of the endowment fund, giving due consideration to the effect that such alternatives may have on the Organization, and (8) the Organization's investment policies.

Investment Return Objectives, Risk Parameters and Strategies. The Organization has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor restricted funds that the organization must hold in perpetuity or for a donor-specified purpose. To satisfy its long-term rate-of-return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends).

Spending Policy. The Organization has a policy of appropriating for distribution each year the interest and dividends earned on these funds for donor purposes.
