

STEINER SCHOOL OF SPEECH ARTS

TRANSFORMING THE SPOKEN WORD

Speech 101: One-Week Speech Intensives

With Barbara Renold and Jennifer Kleinbach

2023 dates:

January 2-January 7 – February 20-February 25 – April 10-April 15

These intensive blocks offer an introduction to the artistic forming of speech through Rudolf Steiner's exercises in articulation and breathing and their artistic application in poetry.

Any block may be taken separately, and all blocks are appropriate for any level of experience, but taken together in sequence, the blocks are cumulative and provide a foundation for more advanced study. This series can be considered the beginning of a training in the art of Creative Speech.

Each block starts at 4:00pm on the Monday and ends at 12:00pm on the Saturday. Class days run from 9:00am to 5:00pm, with a generous break for lunch. Any block may be taken separately, and all blocks are appropriate for any level of experience. Each day includes two speech classes plus one eurythmy class and/or one Greek gymnastics class.

Tuition: \$800 per week, including a \$50 non-refundable application fee. Applications are due 14 days before the beginning of each block. We are committed to making these workshops accessible to every interested person.
